Our goal at HFP is to facilitate an online community of people who share a common desire to find loving homes for pets. **WE NEED YOUR HELP!** We hope you will share us with your friends currently looking for homes for pets and with those whom you think are willing to open up their homes. Either way your help and support is greatly appreciated. Please print out this flyer, make copies, put it on counter tops, put them in display racks, and hand it out to everyone you know!
